Description

Lake of the Woods District Hospital (LWDH) is currently seeking a medical laboratory technologist to join a fast-paced team environment to ensure quality patient care is provided across all disciplines. This exciting role offers a variety of working environments including frontline opportunities to engage with patients throughout the hospital and also to perform integral behind the scenes components of patient care.

Situated not far from Winnipeg and nestled in the heart of North America's Premier Boating Destination, Lake of the Woods District Hospital (LWDH) is a fully accredited hospital under the national standards of Accreditation Canada. LWDH's goal is to provide high quality patient care. LWDH meets the immediate healthcare needs of residents of the City of Kenora, as well as a large surrounding area, including several First Nations Communities. Treating well over 30,000 people per year, LWDH is Northwestern Ontario's largest hospital outside of Thunder Bay.

LWDH offers an on-site gym, an excellent EAP program, HOOPP pension, and in this role, three (3) weeks' vacation accrual within the first full year.

If you enjoy working in a fast-paced and innovative team environment and the idea of being able to boat to work and eat lunch on the dock sounds appealing, we look forward to hearing from you!

Qualifications

- Current registration with the C.M.L.T.O
- Previous experience in the laboratory disciplines and phlebotomy an asset
- Good communication and interpersonal skills
- Demonstrated time management skills
- Reliable attendance record
