Project

CASUAL SURFACE MINER WORKFORCE – we are looking for individuals who are interested in supporting our operations teams on a call-in basis. This opportunity is ideal for individuals who don't want to commit to a full-time schedule but want an exciting career opportunity.

The role of the Casual Surface Miner is to provide support to mine operations, mainly through operating heavy equipment to ensure that production activities are performed in a safe and efficient manner and production objectives are met. Casual Surface Miners with previous operating experience on dozers, excavators, and shovels is ideal, however not necessary. We have an excellent training program for individuals who have no previous experience.

We have a need for a casual workforce to cover shifts that meet operational needs for vacation, sick and training leaves, or to conduct special projects. This is an exciting career opportunity for individuals who want to be a part of a dynamic work-force but do not want to commit to full-time employment.

This position will allow you to gain mining experience and continue to explore your other avenues of interest.

Shifts will be scheduled in advance or on short notice. Shifts are 12 hours (7:00 AM / PM to 7:00 PM / AM), must be able to work days or nights, transportation is provided to and from site, and competitive rates and PPE will be provided. On-site training will also be provided.
