Project

Do you want to be part of the development and start-up of one of Canada's premier mining operations? We are looking for dynamic individuals to join our team and live in our community as we pursue this exciting project. The Rainy River Project, located 65 km northwest of Fort Frances, ON, contemplates a combined open pit and underground mine, processing 21,000 tonnes per day.

Department

Mining

Tasks

The incumbent will assist the Mine Surveyors in ensuring safe and efficient survey services by generating design, plans and measurement data that provide critical mining information to operators and development results to engineers.

- Post survey marks to ensure the mine is developed to accurate dimensions and grade
- Effectively Perform the daily surveying tasks:
- Daily dig face and bench grade measurements
- Dump limit mark-ups
- Blast pattern mark-ups
- Daily drilled hole surveys
- Dig limit mark-ups
- Daily mine advance
- Survey support to construction activities
- Communicate field mark-ups to mine foreman and provide feedback from operations to planning team
- Other additional duties as required

Requirements

- High School Diploma
- Valid Ontario driver's license
- Previous experience in Open Pit is an asset
- Basic computer skills are required
- Good oral communication skills
- Ability to effectively prioritize job duties
- Ability to work with others in a team environment
- Willingness to work outdoors in all weather conditions
- Previous experience in mining or surveying roles is an asset
