Project

Do you want to be part of the development and start-up of one of Canada's premier mining operations? We are looking for dynamic individuals to join our team and live in our community as we pursue this exciting project. The Rainy River Project, located 65 km northwest of Fort Frances, ON, contemplates a combined open pit and underground mine, processing 21,000 tonnes per day.

Department

Mining

Tasks

The role of Mine General Foreman is to assist the Mine Superintendent in ensuring the effective utilization of manpower and equipment in order to meet day to day operational, safety and production goals of the open-pit mine

- Monitor the open-pit mining progress against the set production target to ensure they are met, dealing with any issues that may arise
- Continue focus on safety and keeping the mine crew engaged in safety awareness.
- Provide leadership that instills confidence and encourages teamwork
- Ensure mine crews adhere to all safety, environmental and mining regulations.
- Coordinate with maintenance team and maintenance personnel to maintain equipment reliability.
- Review time sheets for mine employees along with absence reports and submitted to payroll
- Mentor shift supervisors and lead hand to promote growth and learning opportunities
- Other related duties to support the team as required to ensure the Rainy River Project is a success.

Requirements

- Must be able to relocate to Rainy River District in Northwestern Ontario
- 5+ years of related experience
- Strong communication and leadership skills
- Good understanding of technical and operating processes relevant to mine planning and scheduling
- Sound understanding and working knowledge of mining legislation and regulations
- Commitment to the Occupational Health and Safety policies of the business
- Solid working knowledge of mining methods and procedures
- Ability to work with all levels in the organization
- Good Understanding and Commitment to continuous improvement
