***Project***

Do you want to be part of the development and start-up of one of Canada's premier mining operations? We are looking for dynamic individuals to join our team and live in our community as we pursue this exciting project. The Rainy River Project, located 65 km northwest of Fort Frances, ON, contemplates a combined open pit and underground mine, processing 21,000 tonnes per day.

***Department***

Maintenance

***Tasks***

Reporting to the Site Services Supervisor, the Water and Waste Water Treatment Plant Operator will be responsible for performing assigned treatment plant rounds, such as inspecting, monitoring, troubleshooting, performance testing and documenting treatment plant processes.

- Operate and adjust treatment plant pumps, motors, feeders and other equipment to maintain appropriate plant operations.
- Maintain, compile and update plant operations logs and reports; perform and record mathematical calculations related to plant operational activities.
- Mix and add treatment chemicals; install and replace chlorine cylinder tanks; ensure adequate chemical application according to regulations and guidelines.
- Install, maintain, repair, modify, troubleshoot and service plant operations machinery and equipment including pumps, valves, motors, meters, tanks, reservoirs, feeders, and online analyzers; change lubrications.
- Collect and document liquid and solid samples and perform a variety of routine water quality laboratory tests; work closely with the laboratory on testing processes; monitor laboratory results.
- Coordinate construction, maintenance, material selection and repair activities with maintenance, laboratory, contractors, vendors and other staff.
- Other related duties to ensure the success of the Rainy River Mine.

### ***Requirements***

- Minimum of 2 years of related experience
- Technical knowledge of water and wastewater treatment
- Basic knowledge of the applications of lime for water, wastewater and sludge treatment
- Ability to identify, analyze and resolve problems
- Ability to work with minimal supervision
- Good oral and written communication skills
- Good computer skills
- Motivated individual and a self-starter

### ***Contract Type***
