Lake of the Woods District Hospital
Student - Program Assistant

Lake of the Woods District Hospital, Kenora, Ontario, is currently seeking a summer Student Program Assistant to join the Psychosocial Rehabilitation Program. The Student will assist with driving members to and from the program, participate in client therapeutic groups/activities, assist with patient support and consultation, and development and presentation of treatment programs, conduct research projects, and client surveying.

The successful student will be working towards completion of post-secondary school education in mental health, psychology, social work, nursing, and occupational therapy or humanities disciplines. The student will have knowledge in Microsoft Office as well as valid Class G Drivers license in Ontario, and clean drivers abstract.

Please forward your resume, with references, and employment application form found on our website www.lwdh.on.ca, stating your qualifications by May 3rd, 2019, to:
