- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

About Coeur Mining:

Coeur Mining is a growing, all-North American precious metals producer with seven operations: the Las Chispas silver-gold mine and Palmarejo gold-silver complex in Mexico, the Rochester silver-gold mine in Nevada, the Kensington gold mine in Alaska, the Wharf gold mine in South Dakota, the Rainy River gold mine in Ontario, Canada, and the New Afton copper-gold mine in British Columbia, Canada. In addition, Coeur owns the Silvertip silver-zinc-lead exploration project in British Columbia.

Coeur offers a flexible, hybrid work model and a culture built on safety, collaboration, and real opportunities to develop your career for those who want to grow alongside a company that is doing the same.

Rainy River

Situated in beautiful northwestern Ontario, 65 km northwest of Fort Frances, the Rainy River mine is an open pit and underground, gold and silver producing, residential mine site.

The Rainy River mine, located adjacent to the Ontario/Minnesota border is 65 kilometers northwest of Fort Frances, Ontario and is situated half way between Winnipeg, Manitoba and Thunder Bay, Ontario. The area is home to more than 130 species of birds and large populations of moose, black bear and deer. If you enjoy outdoor activities including hunting, fishing, winter sports and lake country then this is an area you will love to live and work in.

Applicants who reside in Northwestern Ontario and have experience working in a cross-cultural environment, coupled with knowledge of the unique challenges and opportunities presented to those living in the Northwest Ontario, are assets. Hiring priority will be given to qualified applicants who are beneficiaries of the Impact Benefits Agreement (IBA) and to qualified applicants residing in the Northwest Ontario communities. (Indigenous) Members must clearly identify their status on the online job application and resume if they wish to receive priority consideration.

About the Role

Position: Driller

Schedule: Shift 7/7 Schedule - 12 Hour Days/Nights - Camp & Travel Provided

Position Reports To: Drill Supervisor

Position Overview: The Driller is responsible for the safe and efficient operation of down-the-hole (DTH) hammer drills within an open-pit mining environment. Working with a fleet that includes DK75 and 650i drills, this role supports production activities by completing drilling work safely, accurately, and in accordance with operational requirements. The successful candidate will bring relevant drilling experience, strong equipment awareness, and a consistent commitment to safe work practices.

Key Responsibilities

- Review drilling instructions, parameters, and work procedures to ensure they are understood and applied correctly.

- Monitor drilling progress and adjust drilling parameters within established limits to support safe and efficient performance.
- Receive a detailed handover from the previous shift and confirm the status of drilling activities and equipment before beginning work.
- Inspect, prepare, and set up the equipment required for the assigned shift.
- Safely operate drilling equipment and complete drilling activities and complex equipment manoeuvres as required.
- Complete all required operational reports, equipment records, and related documentation accurately and on time.

Requirements

- 3+ years of experience in drilling or operating heavy equipment in an open-pit mining environment
- Experience operating down-the-hole (DTH) hammer drills is preferred.
- Strong commitment to safe work practices and effective communication skills.
- Ability to read and follow drill plans, drilling parameters, and operating procedures.
- Strong mechanical aptitude, including the ability to identify and report equipment concerns.
- Ability to work effectively both independently and as part of a team.
- Valid driver's license.
- Ability to work extended shifts, including days and nights, in varying outdoor conditions.
- Heavy Equipment Operator training is considered an asset.
- First Aid, Mine Rescue, and applicable mining certifications are considered assets.
- Previous supervisory or team leadership experience is considered an asset.

The anticipated salary for this position will be between \$72,000 - \$100,000/year.

**Note: this employment opportunity is based on an actual current vacancy, not just for future consideration.*

Why Coeur?

- Highly competitive base salary, compensation programs and a quarterly incentive program
- Extended Health & Dental Benefit
- Short-term and long-term disability insurance benefit
- Defined match contribution to group registered retirement savings account
- Camp & Travel Allowance provided depending on residence

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. Coeur Mining does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by Coeur Mining will be considered unsolicited and will not be considered.

Inclusion, Equal Opportunity, Accessibility

Coeur Mining is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.
