New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work environment
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

Rainy River Mine

Situated in beautiful northwestern Ontario, 65 km northwest of Fort Frances, the Rainy River Mine is an open pit, gold and silver producing, residential mine site.

The Rainy River Mine, located adjacent to the Ontario / Minnesota border is 65 Kilometers northwest of Fort Frances, Ontario and is situated half way between Winnipeg, Manitoba and Thunder Bay, Ontario. The area is home to more than 130 species of birds and large populations of moose, black bear and deer. If you enjoy outdoor activities including hunting, fishing, winter sports and lake country then this is an area you will love to live and work in.

About The Role

Schedule: 14x14

Position Reports To: Chief Engineer

The successful candidate will be leading a small team of professionals. Primary tasks include, oversight of the drill and blast teams, short range planner, stockpile planner and dispatch EIT. Other tasks will include assisting with budget planning, strategic planning and managing projects for the operations, as well as technical support, coaching and mentoring to the Engineers in Training and Junior engineers to meet long-range planning objectives.

Key Responsibilities:

- Preparation of Monthly, Quarterly and LOM Plans
- Forecast and evaluate costs, engineering, and mine planning data.
- Provide technical direction for the mine related to operations strategy and implementation.
- Review and implement operational plans and design changes.
- Review and action improvements to mining operation performance against plans and budget.
- Prepare monthly cost and performance reports and presentations to support planning results.
- Provide technical support where required.
- Mentor and coach EIT's and young engineers, performance evaluation and supervision.

Qualifications:

- Bachelor's Degree in mining engineering or similar field and eligibility for membership with the PEO.
- Over 7 years of experience in mine engineering in an open pit environment.
- Strong experience in open pit short range planning, drill blast, Wenco and survey.
- MineSight software skill is a must
- Attention to detail with strong organizational skills
- Proven analytical skills and ability to think strategically
- Excellent verbal and written communication skills
- Strong team and leadership skills
- Strong leadership ability is essential

Why New Gold?

- Highly competitive base salary, compensation programs and a quarterly incentive program
- Extended Health & Dental Benefit
- Short-term and long-term disability insurance benefit
- Defined match contribution to group registered retirement savings account
- Travel & Accommodations provided

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.
