

ELECTRICIAN

Domtar Inc., Dryden Operations, is currently seeking an experienced individual to become part of our multi-skilled maintenance teams while contributing to our ongoing success.

As an ideal candidate you have:

- A valid Ontario Journeypersons certificate or Interprovincial “Red Seal” Electrician Certificate.
- A positive work attitude and a keen sense of responsibility, particularly with respect to safety and environmental policies and procedures.
- Effective communication skills both verbal and written.
- Experience in the Pulp and Paper industry will be considered an asset.

Reporting to the Maintenance Supervisor, your responsibilities include:

- PLC troubleshooting.
- Working on low and medium voltage systems.
- Maintenance and troubleshooting experience with motors and motor controls.
- Troubleshooting, calibrating and repairing process control equipment.
- Working from schematics, drawings and prints when troubleshooting.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online by following the link below and attach your cover letter, resume and copy of certification, in confidence,

by 3:00 p.m. CDT on Monday January 25th, 2020.
