

Entry Level Operations Positions Dryden Pulp Mill

Domtar Inc., Dryden Operations, is currently seeking individuals to become part of our operations team. As an entry level operator at the Dryden Mill you have a career development opportunity to embark on a training path to become a senior operator responsible for the shift to shift operation of a functional area.

Your qualifications will include:

- Minimum grade 12 diploma (with courses in Gr.12 Chemistry and Gr. 12 Mathematics).
- Previous experience in an industrial environment with Distributed Control Systems is an asset
- A positive work attitude and keen sense of responsibility, particularly with respect to safety and environmental policies and procedures.
- The ability to work shifts and weekends.
- Sound computer skills
- Effective communication skills both verbal and written.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online by following the link below and attach your cover letter, resume, confirmation of Grade 12 graduation and transcript of marks, in confidence, by **3:00 p.m. CDT on January 27th, 2020.**
