Makwa Builders LP is a newly formed construction company, owned by KEDG LP based out of Kenora, Ontario. We are seeking an experienced Red Seal Carpenter to join our team and share their work ethic and passion of the carpentry field.

The **duties** of the position will include:

- Crew leader that will guide and manage through the construction and renovations of homes, decks, docks, siding and other carpentry projects
- Supervise workers, supporting them to learn and grow their knowledge
- Ensure that all work is completed in accordance to standard building practices, design specifications and Ontario code
- Complete manager duties, including; personnel issues, projects and planning, and ensuring that all work is completed in a timely manner
- Able to communicate effectively, both oral and written
- Must show initiative and be action-oriented
- Prepare layouts in conformance to building codes, using measuring tools
- Read and interpret blueprints, drawings and sketches to determine specifications and calculate requirements
- Measure, cut, shape, assemble and join materials made of wood substitutes, lightweight steel and other materials
- Build foundations, install floor beams, lay subflooring and erect walls and roof systems
- Strong communication and interpersonal skills
- High level of attention to detail and strong organizational skillset
- Follow all safety procedures
- Other duties as assigned

Qualifications:

- Red Seal Carpentry Qualifications
- 10 years' experience working in the carpentry field
- Experience with small to medium size commercial and residential construction sites: 2-3 years preferred
- Must possess a valid Class G Driver's License (without restrictions) with a current and acceptable driver's abstract

- Working at Heights and WHMIS, Standard First Aid and CPR Certification, Confined Space (must be completed prior to extended employment, training is available if needed)
- Must be able to lift and carry 55 lbs.

Wage Expectation: Based on qualifications and experience

Please note: A Criminal Record Check with Vulnerable Sector Check is required for this position
