

MECHANICAL TECHNICIAN (MILLWRIGHT)

Domtar Inc., Dryden Operations is currently seeking an individual to become a permanent, full-time employee as part of our multi-skilled maintenance teams while contributing to our ongoing success.

As an ideal candidate you have:

- A valid Ontario Journeypersons certificate or Interprovincial “Red Seal” Industrial Mechanical Millwright Certificate.
- A positive work attitude and a keen sense of responsibility, particularly with respect to safety and environmental policies and procedures.
- Effective communication skills both verbal and written.
- Solid computer skills and experience with electronic work orders.
- Experience in the Pulp and Paper industry will be considered an asset.

Reporting to the Maintenance Supervisor, your responsibilities include:

- Performing mechanical repairs to machinery and plant support systems, including all rotating and stationary equipment.
- Working with preventative maintenance programs and documenting accurate maintenance records.
- Working with a wide array of precision tools, including computerized alignment equipment.
- Ability to read and interpret machine drawings.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online and attach your cover letter, resume and copy of certification, in confidence.
