

## **MECHANICAL TECHNICIAN - WELDER**

**Domtar Inc., Dryden Operations, is currently seeking an experienced individual to become part of one of our multi-skilled maintenance teams while contributing to our ongoing success.**

As a qualified Welder, you are four position CWB certified and/or hold a TSSA Pipe Welding Certificate with at least 5 years of experience. Experience in the Pulp and Paper industry will be considered an asset.

Reporting to the Maintenance Supervisor, you bring:

- A safety-oriented mindset with the focus on mill safety and environmental policies and procedures.
- *TIG, MIG, ARC Cutting (Plasma cutting) experience.*
- A background in both carbon steel and stainless steel pipe, as well as aluminum.
- You are self-motivated and able to work effectively both independently or as part of a team.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online by following the link below and attach your cover letter, resume and copy of certification, in confidence by Monday October 26<sup>th</sup>, 2020 at 3:00pm CDT.
