

MECHANICAL TECHNICIAN (STEAMFITTER)

Domtar Inc., Dryden Operations, is currently seeking an individual to become a permanent, full-time employee as part of our multi-skilled maintenance teams while contributing to our ongoing success.

As an ideal candidate you have:

- A valid Interprovincial Steamfitter certification
- A positive work attitude and a keen sense of responsibility, particularly with respect to safety and environmental policies and procedures.
- Effective communication skills both verbal and written.
- Solid computer skills and experience with electronic work orders.
- Experience in the Pulp and Paper industry will be considered an asset.

Reporting to the Maintenance Supervisor, your responsibilities include:

- Layout, fabricate and construct industrial process and pressure piping including hydraulic, pneumatic in both stainless and mild steel.
- Troubleshoot and perform repairs to hydraulic and pneumatic systems.
- Must be able to interpret schematics as well as machine detail drawings.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online by following the link below and attach your cover letter, resume and copy of certification, in confidence.
